## Code of Conduct Policy

### Section 1: Relationship Between Parents and School

1. **Respectful Communication** Parents and school staff are committed to maintaining transparent, respectful, and honest communication.
2. **Collaborative Partnership** Parents and school personnel will work together to foster the child’s growth and well-being.
3. **Confidentiality Commitment** Both parties will diligently protect the confidentiality of sensitive information shared within the parent-school relationship.
4. **Support for Institutional Policies** Parents are expected to actively support and uphold the school’s official policies, procedures, and decisions.

### Section 2: Relationship Between Parents and Teachers

1. **Reciprocal Respect** Interactions between parents and teachers should be characterised by mutual respect, kindness, and understanding.
2. **Transparent Communication** There will be ongoing, open dialogue regarding the child’s progress and emotional well-being between parents and teachers.
3. **Collaborative Efforts** Parents and teachers will work together to enhance the educational experiences and developmental outcomes for the child.
4. **Role Support** Both parents and teachers will support one another, recognising the distinct yet complementary nature of their roles in the educational process.
5. **Gift Policy** The exchange of gifts between parents and staff is not permitted.
